Perfecto Perbacco

It's no surprise Staffan Terje and Umberto Gibin chose the name **Perbacco** (kind of like "ooh la la" in Italian) for their new S.F. restaurant. With their respective culinary resumes reading like a "Best Of S.F." list, Perbacco is one newcomer sure to have staying power. *230 California St., S.F., 415-955-0663; perbaccosf.com.*
